2024-2025

## Purpose/Mission

Every parent at NHA is part of the Parent Alliance. Together we are dedicated to actively supporting the school's mission by fostering a collaborative partnership between families and the faculty and staff. We are committed to supporting the teachers and staff of New Hope Academy in their mission to provide an excellent Christ-centered education to our students. We strive to enhance the learning environment at New Hope through active volunteerism, resource support, and fostering a strong sense of community.
